

Dear Parents,

Hello Everyone!

Just a quick note to update you. Some of this information will be in the next Trumpet Newsletter.

First, Extended Care will be open on Wednesday the 26th. Soon to follow are the sign ups for Christmas break dates of December 22nd and 23rd and then January 2nd. Sign up sheets will be on the cabinet near the preschool entrance and the school office to insure proper staffing and materials.

Next, following the plan set by Mr. Reagan and the board, we are in the process of becoming licensed for the state of Wisconsin. Becoming licensed will help us to become more aware of health and safety issues and will not effect our Christian curriculum that is so important. Licensing helps us to be a step closer to Association of Christian Schools International accreditation.

Please feel comfortable to talk to me about the changes you see both positive and negative. Your feedback in all aspects of the program is important and if you have questions please ask. I look forward to your input and working with you for the best experience

possible for your child. My office hours are posted on the parent information board and messages can be left on voicemail at (262)367-3756 ext 25 or email at socarroll@countrychristianschool.com. Extended care phone number cards have been made for your wallet for your convenience and placed near the sign out sheet.

Last but not least, we need your Campbell's labels to accomplish our goal and get some new playground equipment that will be more appropriate for preschool children. See the picture on the Parent Bulletin Board. Thank you again for all you do to support Country Christian School.

In His Hands,
Susan O'Carroll, Director of Early Education

I have not stopped giving thanks for you, remembering you in my prayers. Ephesians 1:16

"You are the light of the world. A city on a hill cannot be hidden. In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven."

Matthew 5:14 &16
