

DRESS CODE INFORMATION

Important Information

We are now adding two more brands for UNIFORM PANTS ONLY. SEARS BRAND TKS AND KOHL'S BRAND ARROW are now acceptable brands for boys and girls in flat front or pleated front pants in khaki and navy. Cargo pants are still not allowed. Their websites are www.sears.com and www.kohls.com .

All other uniform Ordering Instructions:

Please use the color and styles indicated on the French Toast Order Sheets and the CCS Lands' End Uniform Clothing Chart. This information will also be on the charts available from the bottom of the school website, www.countrychristianschool.com.

Helpful Information

- When shopping at retail stores, please be familiar with the approved styles as shown in the catalogs. The “item numbers” are not on tags in retail stores. For example, please be careful to purchase the correct skorts style. There are many styles offered, but only two are approved for our dress code.
- To avoid shipping charges on returns, Lands' End retail stores (inlets/outlets) will accept catalog returns. Land's End has two stores nearby: Brookfield and Johnson Creek.
- Most uniform stock arrives in retail stores in July. Clearance sales of this stock begin in September.
- Seasonal items (e.g. corduroy pants) and some styles (e.g. long skirt) will not usually be available in retail stores.
- The manufacturer should replace defective garments. If Lands' End stain resistant pants and French Toast Double-knee pants have torn, please contact the manufacturer for replacement to correct these problems. Since it is a defect, please be sure to request a shipping label be sent so that you do not have to pay additional shipping charges.
- It is best to order uniform clothing from the catalogs or website instead of going to local stores:
- There is a full selection from the catalogs & web page and only a limited selection at local stores.
- CCS receives 5% of sales from French Toast back to the school, and 3% from Lands' End. (The funds from these sales will be used for financial assistance to CCS families.)
- Use the sizing service that these companies offer. Feel free to call and talk to representatives who are very helpful.
Be sure to use the school source code **at the time of the order.**
(Include it on the order form even if there is not a place for it.)

- Please be careful to observe the “4-inch above the knee rule” when purchasing the skirts or jumpers for your daughter.
- Sale of fleece vests and sweatshirts will be held periodically at school.
- Local stores that carry a limited amount of the French Toast uniform clothing:
 - You may want to call these stores to see if they are sold out or have selections available.
